LINKEDIN TRAINER / STRATEGIST

Jen Corcoran is a multi award-winning LinkedIn expert. Known as 'The Super Connector' and one of the UK's most successful LinkedIn trainers, she helps thousands of empathic and introverted female coaches and consultants thrive online through her consulting, workshops and talks.

Jen's vision is to empower tens and thousands of small business owners to leverage LinkedIn to drive positive change in their lives and others and to create prosperity and endless opportunities.

At the age of 3, Jen's mother was diagnosed as bipolar and she spent much of her life hiding in the shadows not wanting to draw attention to herself. A self-confessed introvert, Jen now helps others toot their horns and connect with finesse versus cringe to create economic opportunities.

While working in The City as an Executive PA, Jen used LinkedIn to elevate her reputation and earned the title of the Most Networked PA in London alongside national and global awards.

A back injury cut her City career short but led Jennifer to find her true calling - as a LinkedIn trainer and networking adviser. Jen has been spotlighted in regional, national and global campaigns and has held 1st place on the #LinkedInROCKSTARS list of her peers.

Jen is an advocate for genuine connection vs hustle, hype and posting endless content.
