LinkedIn Strategist & Speaker

Helping midlife women turn LinkedIn connections into clients.

LINKEDIN STRATEGIST / MENTOR

Jen Corcoran is multi award-winning LinkedIn strategist, speaker, and founder of My Super Connector. Known as "The LinkedIn Lead Jen", she helps driven midlife women in business move beyond unpredictable word-of-mouth referrals and messy marketing that drains their time and energy.

Since 2017, Jen has supported more than 700 coaches, consultants, and service-based entrepreneurs to attract premium clients on LinkedIn using a simple, repeatable system that works with their personality, strengths, and energy – not against them.

Her signature PACT® Blueprint (Presence, Action, Connect, Track) helps business owners position themselves as the obvious solution for their ideal clients, grow the right audience, and build genuine relationships that convert into opportunities.

Jen's approach rejects influencer-style popularity and algorithm chasing. Instead, she shows business owners how to generate up to five qualified leads a week from LinkedIn in as little as 30 minutes a day – without icky cold outreach or performative marketing.

A former corporate EA once named "Most Networked PA in London," Jen has been featured by organisations including BBC Radio, The Guardian, Amazon, and Enterprise Nation, where she was voted UK's #1 Trusted Marketing Adviser. Today she's on a mission to help more women show up as the authority they already are – and attract the clients who are looking for them.
